

## Vashon Tool Library **Membership Application**

Thank you for visiting the Vashon Tool Library. Present this completed application along with two approved pieces of identification to verify your identity and residence. The tools in our collection are for the use of Vashon Tool Library members. Out of respect for future users, please clean any tools you borrow before returning them and report any damage to the tool library immediately. Borrowers are responsible for damage that they have caused, but we promise not to be angry as long as you tell us. If you feel compelled to return tools in better condition than when you borrowed them, you get brownie points and/or good Karma for being a good sharer. Please read the Liability Waiver as well as the Borrower's Agreement/Tool Use Policy, and sign them both in front of the Tool Library Representative, who will do their best to answer any questions you may have. Upon approval, your membership will be active. Welcome!
